	comment on this section.
	<p>Bill Lansbury – Qld Department of Transport and Main Roads</p> <ul style="list-style-type: none"> • The Department of Transport and Main Roads in Qld is overwhelmed with \$62m worth of flood damage. • There have been 40 declared events since November 2021 which the Department are working through to rehabilitate and reconstruct main roads throughout Southern Qld.
	<p>Katie Williams – QLD Department of Premier & Cabinet</p> <ul style="list-style-type: none"> • BROCC has undertaken considerable advocacy to instate a Qld Cross Border Commissioner and while the Department has stated that this is not something that will be implemented in the near future, it is working with a new model for regional coordination that they hope to be more effective. It will always be about raising the profile of rural and regional communities and the Department still promotes the importance of the relevant agencies and acknowledged them as an important point for issues raised by BROCC. • Katie informed us that she is leaving her role at the end of August which gave BROCC the opportunity to thank her for her efforts with the group over many years and to wish her well in her future endeavours.
	<p>Jenny Rix – Director Darling Downs SW RDA</p> <ul style="list-style-type: none"> • Sustainability with water is the critical issue and the Cross Border Water Forum initiated by BROCC is really important for the future management of water in the border regions. • The Qld Regional Water project is in its final stages and of the 121 recommendations, cross border collaboration was in the top 3 recommendations. • The NSW Regional Water Strategy Plans are also in motion and are further progressed with their consultation period already closed. As such collaboration between NSW & Qld is out of sync but it will be prioritised in early 2023. In the meantime the Cross Border Commissioner confirmed for the group that it sits on the NSW Regional Water Strategy Board and represents on water infrastructure and flood mitigation. If BROCC has items of advocacy he invited the collaboration.
8.	Guest Speaker
	<p>Donna Hobbs – Bulloo Shire Council, Rural Services Department</p> <ul style="list-style-type: none"> • Rural services at the Bulloo Shire Council support a wide cross section of activities; from rural counsellor services, biosecurity services, specialist services (ie fish scientist and field days), agforce support, LLS services and other expertise opportunities that are appropriate to their rural landholders. They accept that they are the major service provider for the community and as such aim to provide that which is needed. <p>Tammy – Bulloo Shire Council, Tourism & Economic Services</p> <ul style="list-style-type: none"> • With 8 staff and a quickly expanding tourism operation in Thargomindah, this area of the Council is busy. They run 2 festivals per year, the Shearers Shindig attracting the traditional Thargomindah community who have been a part of this primary industry for generations and the Channel Country Music Muster which attracts a slightly more diverse audience from near and far. 207 caravans attended last year's event and they also managed to get shopper

	<ul style="list-style-type: none"> • State Memorandum of Understanding • Childcare <p>Balonne</p> <ul style="list-style-type: none"> • Health • Education & Childcare • Transport and Infrastructure • Disaster Management <p>Paroo</p> <ul style="list-style-type: none"> • Housing • Digital Communications • Federal Grants, FAGs • Roads <p>Tenterfield</p> <ul style="list-style-type: none"> • Handing back the Bruxner Way to NSW State • Disaster Management Systems • Healthcare <p>Goondiwindi Regional</p> <ul style="list-style-type: none"> • Cross Border Crime • Disaster Management <p>Southern Downs</p> <ul style="list-style-type: none"> • All as above <p>Summary & Areas of Commonality</p> <p>All these items were discussed and the following areas of interest and priority were AGREED on as relevant to all Councils. As such it was moved that these priorities were to be listed as a part of #Item 4 in Part 1 of the Constitution. This will be tabled at the meeting in November for discussion and if agreed, will formulate the basis of strategic direction for the group into the future.</p> <ul style="list-style-type: none"> • Attracting Population and industry • Transport networks • Disaster Recovery, Management & Betterment • Health Services • Housing • Education & Childcare
9.3	<p>BROC Constitution / Terms of Reference</p> <p>Moved: Goondiwindi Regional Seconded: Balonne</p> <p>That notice of the following change to the Constitution be tabled for consideration at the November 2022 BROC meeting:</p> <p>‘Objectives</p> <p>2. The objectives of the Organisation are to:</p> <p> i. Provide a forum for member councils to consider and discuss matters affecting the</p>

	<p>region</p> <ul style="list-style-type: none"> ii. Advocate for the best outcomes for the region at a state and federal government level iii. Ensure the sustainability, and where possible, the growth of the region through contributing to the effectiveness of all member councils iv. Undertake projects that have a material benefit to some or all member councils of the Organisation to promote regional cooperation and the efficiencies of individual councils. Areas of regional strategic importance include: <ul style="list-style-type: none"> ○ Attracting Population and industry ○ Transport networks ○ Disaster Recovery, Management & Betterment ○ Health Services ○ Housing ○ Education & Childcare
9.4	<p>Carbon Farming (socio economic impacts)</p> <p>Paroo Carbon Credit – Mayor Suzette Beresford</p> <ul style="list-style-type: none"> • Carbon Credit take up has had an overwhelming impact on the Paroo Shire with 33% of Qld carbon credits taken up with land holdings in Paroo. As such the population decline since 2012 has been significant as landholders have taken the opportunity to retire and exit the industry with financial remuneration. Huge tracts of mulga lands have been locked away for credits which has led to a lack of landuse management and significant problems for both flora & fauna. In conjunction, the mulga land valuation have increased having a huge impact on rates and other ensuing roll on effects. With carbon credit agreements ranging from 20-30 years, the Shire has witnessed generational change never seen before and the Council has worked exceptionally hard since then to arrest the decline in population. <p>Copy of Carbon Farming presentation made to SWQ CEO’s titled ‘Darling Downs Land Restoration Fund’ kindly provided by Balonne Shire Council and will be circulated with the minutes.</p>
9.5	<p>Queensland Funding for Preschools and / or Kindergartens</p> <p>Goondiwindi Regional Council to investigate matter further. Matter to be held over to next meeting.</p>
9.6	<p>Flood Gauges, Access to state Asset Flood Cameras, Standardising Gauges and Reporting</p> <p>Goondiwindi Regional Council to investigate matter further. Matter to be held over to next meeting.</p>
9.7	<p>Exclusion Fencing</p> <p>Noted that update on this matter has been provided previously.</p>
10.	<p>Action Log</p>
	<p>Item to be held over to next meeting.</p>
11.	<p>Next Meeting</p>

	24 November, 2022 at Goondiwindi (Goondiwindi Regional Council) commencing at 2pm (**later changed to 1 December, 2022 commencing at 1pm (Qld time). (** Note: Date later changed to Thursday 1 December 2022)
